Clothing Requirements: Comfortable washable clothing is recommended. Long sleeved shirts and pants are required. Please ensure that clothing is not so tight that it will restrict movement nor so loose as to pose a safety hazard (i.e. sleeves too long or loose that they get caught in equipment, pants so long they pose a tripping hazard, etc.). Shoes must be completely closed with rubber soles (no sandals or open toed shoes).
We will provide an apron for the students to use during the class but we do not guarantee that this will prevent all materials from getting on clothing.

Behavior Expectations: Students will be expected to behave in a mature and responsible manner and follow instructions as provided by the adults conducting and assisting with the class. The Elkridge Furnace Inn reserves the right to restrict participation or remove a student all together from the class if they are behaving in a manner that is disruptive to the class or may be putting themselves or other students at risk. If a student is removed or restricted for behavioral issues there will be no refund in fees or obligation to reschedule/repeat the class.

Class Content: This class will be interactive and students will be working with some or all of the following equipment: gas burners, metal pots and pans, cutting boards, assortment of sharp knives, peelers, and other equipment as designated appropriate to the class. Please inquire with the chef the day of the event with any concerns.

Allergies: If a student has a food allergy, we must know at least one week prior to the first day of the camp. Please state any allergies your child has here: _____
